The image is a composite graphic for an advertisement. It features a central 'before and after' comparison of a person's eyes. The top half is labeled 'BEFORE' and the bottom half 'AFTER'. In the 'AFTER' section, the eyelashes are noticeably longer and thicker. A large black play button icon is centered over the comparison. To the left of the eyes, there is a pink curved arrow pointing from the 'BEFORE' state to the 'AFTER' state, with the text '變密又變長' (Became denser and longer) written in pink. In the top left corner, there is a logo for '玩美研究室' (Wan Mei Research Room). In the bottom right corner, there is a pink and yellow starburst graphic with the text '請搜尋' (Please search for) and 'XLASH. Taiwan'. On the left side of the 'AFTER' image, there is vertical text that reads 'LIFE IS SHORT, YOUR LASHES SHOULDN'T BE'.
